Please read this message and pass it on!!!!!!!!!!

As you are aware my niece, Madeleine, is still missing and I am asking everyone I know to send this as a chain letter i.e. you send it to everyone you know and ask them to do the same, as the story is only being covered in Britain, Eire and Portugal. We don't believe that she is in Portugal anymore and need to get her picture and the story across Europe as quickly as possible. Suggestions are welcome.

Madeleine's Eye Holds Vital Clue

It is worth a try!

Madeleine McCann's family believe a new picture of the missing four-year-old could play a vital role in the search for her. The photo shows clearly her distinctive right eye where the pupil runs into the blue-green iris.

It is this distinguishing mark that will identify Madeleine to those on the lookout for her, according to aunt and uncle John and Diane McCann.

They aim to distribute the appeal poster, which features the Crimestoppers telephone number as far afield as they can.

Mrs McCann said: "The purpose of the poster is to highlight the distinction in Madeleine's eye. "We want to make the most of it, because we know her hair could potentially be cut or dyed."

Mr McCann added: "The poster was designed by a friend of the family and I've begun Emailing it to acquaintances in different parts of the world.

"I'm asking people to circulate it the best they can and make it be seen."
